Chapter 10

Time: EE 21:05.5 (insert previous
4th moon descending space ambush
segment)
4th moon phase

SPYKILL 3

Vircingetoris (AKA name not important) has
(Further AKA are up to the reader) taken the place of
chiefexecutive assistant to the mayor of the longest
sector of AC.

They are sharing a been at the regularbar which
they frequent.

The bankchief executive is a lying cowardly spy
dressed in a satin vertically striped suit.

They are exchanging small talk. His name IS
Qahordilahor dord. His call name is BOB.

Without warning he grabs his chest & throat
choking.

Vircegetoris had put a very short afterlife
stricthenyne pill in his been without anyone noticing
with a shield on the bar's secret sureveillancecamera

after that bankchief executive went to the washroom to relieve his bulging stomach.

Vircengetoris has a white-collared shirt on with a very expensive very dark blue-tie and a dark blue suit, with mob shoes on. He had pumped the bankchief executive with cowardly lies over how much money he could get this bankchief executive on a deal.

Medical Report: Heart attack.

He commutes calmly off to a new private sector...

...demi-god rook of the gods & goddesses, is now a

SPY KILLER !
